Reviews

*Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You wont sense monotony at any moment of your time (that's what catalogs are for about if you check with me).

THE WINTER KNIFE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Death stalks a snowbound city from below. Feral dogs are blamed when a popular teen is killed. Is it just coincidence that he disappeared after infuriating 14-year-old Haley, who is torn between her anger and her desire to belong? More attacks implicate a creature of Northwoods myth she befriended in its summer form. As the DNR leads a cougar hunt in town, Haley makes a desperate plan to steal a car and use their empathic bond to lead the creature away from the city -- driving alone into the fangs of a blizzard that makes roads hazardous even for experienced drivers. If she fails, either her monster or more members of her community will die.
