John Blake Publishing Ltd, United Kingdom, 2005. Hardback. Condition: New. Language: English . Brand New Book. The case of Jack the Ripper has at last been cracked by the one man most qualified to do so - a former murder squad detective. Trevor Marriott casts aside the rumours which have for so long dogged the most famous police case of all time. Revealing the techniques used by modern day policemen, he skilfully and compellingly leads us straight to the criminal world s best-kept secret: the identity of Jack the Ripper. He shows the tally of victims may be far higher than previously known and that the real killer is a completely new suspect with unique access to the area of the murders. Jack the Ripper: The Forensic Profile blows all theories out of the water. For more than a hundred years, the Ripper has evaded capture but this time his luck has finally run out.
