Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When it comes to fulfilling our destiny here on earth, many people undergo their life long journey without having a personal relationship with their Creator. When you are not walking with the Lord, you have no assurance of fulfilling your God's ordained true destiny. Some people believe that yesterday's testimonies, achievements and accomplishments are enough. No, they are not. In my home town, we say that what you had before (past) is no longer your property. Our Lord does not want you to live in the history of your past but in the reality of the present. If you had a great past but a horrible present, the latter can erode the goodness of the former (Haggai 2: 9). My question to you is this: What is heaven saying about your present reality? This book is inspired with the understanding of Psalm 23. In it, you will discover how God can use you, locating you where He desires you to be, so that you will prosper in your lifetime to reap your full inheritance.
