Xlibris Corporation, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fascism is not a modern era phenomenon nor is it unique. It has been the de-facto organizing principle of mankind for most of history. Paganism is a form of pre-modern fascism. Most religious orthodoxies are of course premised on pagan cults. Modern fascism uses the guise of spirituality in the form of paganism to spiritually justify its assault on civilization. When the two are fused - spiritual paganism with modern fascism - you have a violent and hate-filled philosophy that finds its expression in Hitlerism, Communism and Islam. This book compares these three modern forms of an age old evil that has been the main obstacle to human progress. This book was written after extensive research, travel, interviews and help from others more knowledgeable on certain topics. I don't pretend to be an expert in all the areas of historical political and economic development. Nor am I posing as the expert investigator on any of the chosen themes that populate the work. Thousands of more competent analysts exist in each area. I wrote this book to objectively narrate a common thread and threat in human history, namely that of Fascism and its orientalist genetic composition. It is important in life to impartially record reality, to see the world for what it is and to defend our civilization against utopias, fantasies and evil. In this regard we need more literature and expositions which make the link between the various ideologies which are in essence pagan cults; their commonality throughout history; and their threat to civilization. It is the threat posed to civilization by immoderate Islam - another type of pagan cult - that prompted the creation of this summary work. Let...
