

The Existing Christ: An Existential Christology

By Aldo Di Giovanni

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is not that God created or caused us; rather that God indwelling through Christ is creating or causing us. In the time we have and with what we are given in that time, it is for us to exist with ultimate existential significance, meaning and purpose. In the most simple of terms, reality for most people is not and will not be what it has been for most people for millennia. The few shreds of reality that have survived the last few centuries are being disintegrated by the advances of science and philosophy and are not being credibly replaced. In our existence and existing, what is real and what is not? This question is the backdrop of personal existential significance, meaning and purpose. The answer is with God or Existence (I AM.) Two theatres of being are before us: one experienced as the world of objects external to our person (biblically, the world after the flesh); the other experienced as the world of the things of God internal to our person (biblically,...
