Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Corporations as Gods in the era of Trump! Fake news, internet hoaxes, the alt-right, and Putin too. They opened the new arena and mall downtown and wiped out your old Brooklyn neighborhood. They just broke ground for some giant megamart on the Boulevard, and your little business can't compete. Nobody's can. They're the largest goddamned Corporation in the world. Local wages are already nosediving from the power of the market. They also own a thousand charter schools and they're taking over the world's largest public school system. My God, they're just getting started, but they already kicked your special needs kid to the curb. They just took your house in a legal reverse mortgage scheme. You're on the verge of bankruptcy. Their payday loans are eating your guts from the inside, and they hold your checking account in an iron fist. And there's nothing you can do about it. Well, maybe there is a little something.
