Japanese for Healthcare Professionals: An Introduction to Medical Japanese (Audio CD Included) (Mixed media product)

By Shigeru Osuka

Tuttle Publishing, United States, 2011. Mixed media product. Condition: New. Language: English . Brand New Book. The only book of its kind in English, Japanese for Healthcare Professionals is a proficiency-based conversation textbook offering a complete Japanese language course that teaches Japanese grammar along with the vocabulary of medical care. With nearly three million Japanese tourists visiting the United States last year, and another five hundred thousand expatriates residing in the US and other English-speaking countries, it is inevitable that many Japanese speakers find themselves in need of healthcare but unable to communicate. Important highlights of this book are: Accompanying MP3 Audio Disc. No prior knowledge of Japanese necessary. For all professionals seeking to communicate in healthcare situations. Includes an English-Japanese dictionary of medical terms, a glossary of common complaints, and a sample bilingual medical questionnaire. Japanese for Healthcare Professionals offers a complete language course for classroom study or independent learners that teaches Japanese grammar along with the Japanese medical vocabulary. The chapters cover every step of a patient's interaction with care providers, from appointments and admissions to the physical examination, symptoms and illnesses, diagnosis, treatment, instructions to the patient, discharge, and follow-up. Chapters are devoted to the major branches of...
