

## God The Irresistible

By I. D. Campbell

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 74 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. There is absolutely no need to entertain an atheist with any other argument besides the existence of God and the implausible, impractical and impossible explanation of existence without God. Having an argument about prophets, angels, heaven and hell are like arguing calculus to a person who does not acknowledge the existence of numbers. First you must get him to accept the idea of numbers. Then the sum of numbers, the differences of numbers, multiplying and dividing numbers. Then they can graduate to higher levels of understanding. In this book, I cement the argument for God for those who do not believe in God and for those who do not have an explanation for their belief in God. The reader is taken step by step from an atheist to one who subscribes to the understanding that a personal God is the only logical explanation for the world around us and the world within us.
