Brand New Book ***** Print on Demand *****.Along with Plato and Socrates, Aristotle (384-322 B.C.) is one of the triumvirate of philosophers responsible for the establishment of Western philosophy as it exists today. Socrates, Plato and Aristotle were among the first to refine philosophical thought, and Socrates is credited with devising the Socratic Method as a way to argue and debate points rationally. The Ancient Greek philosophers further stressed the importance of virtue and stoicism, advocating the improvement of one s self through constant learning and knowledge. These teachings and practices formed the foundation for philosophy and psychology as fields of study. Still, Aristotle was very much his own philosopher. Though he studied at Plato s famous academy, he was not hesitant to counter or criticize Plato s philosophical stances on certain issues. Aristotle was the most renowned Ancient Greek philosopher for nearly 2,000 years, and his most famous work is Rhetoric, his preeminent treatise on the art of persuasion. Aristotle is widely credited with being the forbearer of the study of the art of rhetoric.
