Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In early 2003, a young Wall Street investment banker named Bo Parfet set out to accomplish something very few had done before climbing the highest mountain on every continent. He was not a professional climber, but what began as a casual interest would soon become a lifelong passion and in just over four years, Bo would overcome the odds and conquer all of the mountains Kilimanjaro, Aconcagua, Denali, Vinson Massif, Elbrus, Carstensz Pyramid, Kosciusko, and Everest with courage, unbridled passion, and determination. Combining the gripping narrative of *Into Thin Air* with the adrenaline-fueled drama of *Vertical Limit*, *Die Trying* is the incredible story of one man's battle against his own limitations. From dodging avalanches to crossing a ladder over a seemingly bottomless crevasse, to making his way through the Khumbu Icefall and burying a dead teammate at 27,000 feet, we experience all of the author's exhilarating, often terrifying climbs first-hand. We travel with him during his near-death experiences when falling into a crevasse in New Zealand and nearly-drowning in crocodile-infested rapids during a canoe race in Belize. And we share the terror of his confrontations with corrupt army officials, cannibalistic tribesmen, and local militia groups. Harrowing and uplifting, *Die Trying* is a riveting memoir that will inspire all of us to defy the odds and fulfill our dreams.
