W. K. Sebastian, of Arkansas, on the Admission of Kansas and Minnesota, Delivered in the Senate of the United States, March, 10, 1858 Mr. President, that I may be intelligible in my remarks upon the main subject of discussion, I must recall some of the history of the Kansas question, and advert to some considerations connected with it. in doing so, I must draw largely on the labors of my colleague on the Committee on Territories, whose finished and logical statement of facts would, if generally known, spare me the labor of attempting to condense them.
