LESSON I 15 THE ASTRAL SENSES The skeptical person who believes only the evidence of his senses. The man who has much to say about horse sense. Common Sense versus Uncommon Senses. The ordinary five senses are not the only senses. The ordinary senses are not as infallible as many think them. Illusions of the five physical senses. What is back of the organs of physical sense. All senses an evolution of the sense of feeling. How the mind receives the report of the senses. The Real Knower behind the senses. What the unfolding of new senses means to man. The super-physical senses. The Astral Senses. Man has seven physical senses, instead of merely five. Each physical sense has its astral sense counterpart. What the astral senses are. Sensing on the astral plane. How the mind functions on the astral plane, by means of the astral senses. The unfolding of the Astral Senses opens up a new world of experience to man. LESSON II 25 TELEPATHY vs. CLAIRVOYANCE The two extra physical senses of man. The extra sense of the presence of other living things. The telepathic sense. How man may sense the presence of other living things apart from the operation of his ordinary five physical senses. This power is strongly developed in savages and barbarians, but has become atrophied in most civilized men, by continued disuse. It is now vestigial in civilized man, but may be developed by practice. Animals have this extra sense highly developed, and it plays a very important part in their protection from enemies; their capture of prey, etc. The strange actions of dogs, horses, etc., explained. How the geese saved Rome...
