Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Adventures in American Bookshops, Antique Stores and Auction Rooms Articles discarded in tenement house dwellings and sold for a few pennies to a ragman are triumphantly brought into the reception room of a patrician mansion, treasured by the new owners, and admired by his friends. Curious and extraordinary are the fortunes of old objects on their way to a new proprietor with whom they will stay for a while, and their wanderings are eternal. Old things in New York are sold in magnificent establishments on Fifth Avenue, and they are sold in dungeons on the Bowery. Some people are so poor that they have to buy second-hand things to furnish their homes and clothe their bodies. Others are so rich that they are compelled to buy antiques in order to possess something unique. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
