## THE TALE OF THE TERRIBLE TOOTH THIEF

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mitzy Pitzy, the only bad fairy in the entire Fairy Kingdom, was so mean, jealous and nasty the fairies began calling her the worst possible name. They called her Inca Stinka. One day Queen Gwendolyn s favorite Maid in Waiting, Pookie, discovers Inca Stinka in the Far Away Bramble Bushes with huge piles of baby teeth stolen from beneath the pillows of all the Children of the World. It is very clear Inca Stinka has not given the children the required fairy kiss and thank you gift. Nothing could be worse! Terrible! A Tooth Thief! A Terrible Tooth Thief! After much deliberation, the beautiful and wise Queen and her fairies devise a plan to rescue the teeth, use them for good purpose and make things right for the children. However, it demands a very dangerous and scary journey across the Great River where nasty Truman the Troll lives and an encounter with the worst possible fairy ever imagined. This is a story for everybody who ever lost a tooth and never knew how close they came to never getting a fairy kiss and a gift under their pillow. A great story as well as a gift for anyone who has ever lost a tooth.
