CHRONICLE BOOKS, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. In this irresistibly funny follow-up to the breakout bestseller Darth Vader and Son, Vader, Sith Lord and leader of the Galactic Empire, now faces the trials, joys and mood swings of raising his rebellious teenage daughter; Princess Leia. Smart and sweetly funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these two galactic adversaries together under one roof. From teaching Leia how to fly a TIE fighter, to regulating the time she spends talking with friends via R2-D2 s hologram, to making sure Leia doesn t leave the house wearing only the metal bra and a slinky skirt from Return of the Jedi, Vader s parenting skills are put hilariously to the test.
