UNTIMED

Mascherato. Paperback. Condition: New. 342 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Untimed is an action-packed time travel novel by Andy Gavin, author of The Darkening Dream and creator of Crash Bandicoot and Jak and Daxter. Charlies the kind of boy that no one notices. Hell, his own mother cant remember his name. So when a mysterious clockwork man tries to kill him in modern day Philadelphia, and they tumble through a hole into 1725 London, Charlie realizes even the laws of time dont take him seriously. Still, this isnt all bad. Who needs school when you can learn about history first hand, like from Ben Franklin himself. And theres this girl. . . Yvaine. . . another time traveler. All good. Except for the rules: boys only travel into the past and girls only into the future. And the baggage: Yvaines got a baby boy and more than her share of ex-boyfriends. Still, even if they screw up history -- like accidentally let the founding father be killed -- they can just time travel and fix it, right But the future they return to is nothing like Charlie remembers. To set things right, he and his scrappy new girlfriend will have to race across the centuries, battling murderous machines from the future, jealous lovers, reluctant parents, and time itself.
