Emerge Curriculum Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine a world of absolute peace and safety with no war, crime, sickness, pain, death, or fear of any kind. Picture a world where lions and lambs lie down together and children play with wild beasts. Imagine a new earth with the perfect climate, pristine lakes, towering mountains, crystal-clear rivers, beautiful gardens, exotic and familiar plant and animal life, and trees that produce fruit every month. Imagine a cube-shaped city of light, constructed entirely of transparent gold and jewels and extending fourteen hundred miles in every direction and fourteen hundred miles out into space. Picture a government where Christ is king, Christians rule, and love is the only law. Imagine possessing a glorious, super-strong body that can defy gravity, is perfect in every way, surges with boundless energy, and will never grow old, get sick, or die. Imagine suddenly possessing super intelligence, a thirst for knowledge, and eternity to learn and discover new things. In fact, imagine becoming immortal. Now imagine death as nothing more than a doorway exiting this old world and entering the world of the immortals. Sounds like science fiction, doesn't it? It's certainly nothing you'd expect to hear in most churches. But it's all true and either implicitly or explicitly written in the Bible. Dr. Kenneth E. Sullivan has taken over a hundred biblical references and descriptions of heaven and eternal life and compiled them, along with clear, easy-to-understand commentary in Teach Me About Heaven and Eternal Life. This book will enlighten, encourage, and excite the reader, causing him or her to look forward to the future with hope, anticipation, and optimism. Dr. Sullivan deals with the subject...
