Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book of Miracles by Reverend John Parker describes anecdotes of the miraculous healing at the hand of God that he has witnessed and experienced throughout his life. Experiencing healing miracles after prayer multiple times himself, Reverend John Parker has become an instrument of the Lord to bring restoration to others through prayer and devotion. Including documentation of these remarkable physical changes, the book proves the existence of miracles. He has helped men, women, children, babies, and pets heal from physical wounds with amazing speed. Bodies have been cleared of cancer. Young people in the throes of spiritual warfare have been delivered from evil. With the use of anointing oil and prayer cloths, Reverend John Parker has felt God s presence, heard God speak, and seen God work. Book of Miracles compiles testimonials from those who have been personally affected by the Holy Spirit, and allows them to give the credit to God.
