Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

YES MINISTER: VOLUME 1

BBC Audio, A Division Of Random House, United Kingdom, 2003. CD-Audio. Book Condition: New. AM. 140 x 124 mm. Language: English . Brand New. Political satire is at its sharpest in these four classic capers from the corridors of power. In *Open Government* , the newly-appointed Minister for Administrative Affairs, the Rt. Hon. James Hacker, meets his machiavellian Permanent Secretary Sir Humphrey, who persuades him that good government is not always open government. *Big Brother* finds Hacker seeking support from the opposition in order to overcome the opposition of his support. Hacker and Humphrey battle it out over Hacker s proposal to restrict civil-servant access to a powerful information database. *The Economy Drive* sees Jim Hacker on a quest to trim government waste by implementing an economy drive that ends up driving him out into the rain and straight into Sir Humphrey s hands. And in *The Writing on the Wall* , the craze for cutbacks strikes too close to home when the office of Administrative Affairs is placed on the chopping block. Sir Humphrey has never been more needed. 2 CDs. 1 hr 54 mins.
