AURUM PRESS, United Kingdom, 2018. Hardback. Condition: New. Neil Clark (illustrator). Language: English . Brand New Book. Rusty is a friendly robot, but not a very happy one; he s feeling down about the way that he sounds. The other robots on Planet Robotone - Belle, Twango, Hoot and Boom-Bot - show Rusty that being a little bit different is the best way to be, and together make a raucous song and dance that celebrates their differences. This charming story about friendship, self-discovery and the strength of pooling everyone s talents together has a strong, empowering message of acceptance and embracing individuality. With wonderful, contemporary illustrations that will appeal to young children and parents alike, the story will provoke thought - and conversation - about being different, and how we should all embrace our characteristics and be comfortable and confident in ourselves.
